Disapplication of Pre-emption Rights (Resolution 15)

Article 3 of the Articles prevents the issue of equity securities which are, or are to be, paid up wholly in cash and not first offered to the existing shareholders in proportion to the number of shares held by them at the time of the offer. However, it may be in the interests of the Company, for the Directors to issue equity securities free of the restriction imposed by Article 3.

Resolution 15 will be proposed as a special resolution and will, if passed, give the Directors authority to issue equity securities for cash without first being required to offer them to existing shareholders. This Resolution will allow the Directors to allot equity securities in an aggregate amount of up to 15 per cent of the issued ordinary share capital of the Company as at 6 August 2018, without the shares first being offered to existing shareholders in proportion to their existing holdings.

Proceeds from the Bond Issue will be used for general corporate purposes, including replacing the convertible bond issued to Fairfax Africa Holdings Corporation ("Fairfax Africa"), as previously announced on April 24, 2018, strengthening the Company's digital finance platform and supporting broader business growth and operations. Existing shareholders, including Fairfax Africa, and new investors to the Company are participating in the Bond Issue. The Bond Issue has an annual coupon of 7.5% and will be secured on a portion of the Company's indirect shareholding in Union Bank of Nigeria. Subject to the passing of Resolution 15, 12,400,000 detachable warrants will be issued in connection with the Bond Issue that will provide holders with a right to subscribe for ordinary shares of Atlas Mara at an exercise price of \$3.20 per ordinary share (subject to adjustments as may be determined from time to time in accordance with the terms of the warrants). In the event that shareholder approval is not secured for Resolution 15, the coupon on the Bond Issue will increase retroactively from 7.5% to 9.0%

The Directors consider the authority in Resolution 15 to be appropriate in order to allow the Company flexibility to finance business opportunities (whether by way of the Bond Issue and related issue of warrants, or other convertible or exchangeable securities) or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions.

FURTHER INFORMATION

The following notes explain the general rights of shareholders and holders of depositary interests and the rights to attend and vote at the Meeting or to appoint someone else to vote on their behalf.

Holders of Ordinary Shares

1. All holders (the “**Shareholders**”) of ordinary shares in the Company (the “**Shares**”) have the right to attend, speak and vote at the Meeting. A Shareholder is entitled to appoint one or more proxies to exercise all or any of his or her rights to attend and to speak and vote in his or her place. A proxy need not be a member of the Company. Completion of the form of proxy will not preclude a member from attending, speaking and voting in person. Only those Shareholders entered on the Company’s register of members for the Shares as at 48 hours before the Meeting or, if the Meeting is adjourned, as at 48 hours before the time of the adjourned Meeting, shall be entitled to attend, speak and vote at the Meeting or any adjournment in relation to their Shares.
2. Registered Shareholders should complete the Form of Proxy provided with the Notice of Annual General Meeting. The Form of Proxy must be deposited in hard copy form by post, by courier or by hand at Computershare Investor Services (BVI), c/o The Pavilions, Bridgwater Road, Bristol, BS99 6ZY, United Kingdom **no later than 1:00 p.m. EST / 6:00 p.m. BST on 24 August 2018**. Completion and return of this form will not preclude a member from attending the Meeting and voting in person.
3. If you wish to appoint as your proxy someone other than the Chairman of the Meeting, complete the box at the top of the second page of the Form of Proxy with the full name of your proxy and the number of shares they will be representing. If you wish your proxy to speak on your behalf at the Meeting you will need to appoint your own choice of proxy (not the Chairman of the Meeting) and give your instructions directly to them.
4. In the absence of instructions, the person appointed proxy may vote or abstain from voting as he or she thinks fit on the resolution and, unless instructed otherwise, the person appointed proxy may also vote or abstain from voting as he or she thinks fit on any other business (including amendments to the Resolutions) which may properly come before the Meeting.
5. On a poll you have one vote in respect of each Share you hold. You do not have to cast all of your votes in the same way and if you wish to split your votes you can enter the number of votes you wish to vote for and against in the boxes next to the resolution. The total number of votes must not exceed the total number of votes you hold. If you simply enter a tick in one of the boxes for the resolution you will be deemed to vote all your votes in that way. If you tick more than one box but do not indicate how many of your Shares you wish to vote in such manner, you will be deemed to vote an equal proportion of your Shares for each box ticked.
6. This form must be signed and dated by the Shareholder or his/her attorney duly authorised in writing. If Shares in the Company are held by a nominee(s), a form(s) of proxy must be completed and signed by the nominee(s). If the Shareholder is a company, it may execute under its common seal, by the signature of a director and its secretary or two directors or other authorised signatories in the name of the company or by the signature of a duly authorised officer or attorney. In the case of joint holdings, any one holder may sign this form. The vote of the senior joint holder who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority will be determined by the order in which the names stand in the register of members in respect of the joint holding.
7. To appoint more than one proxy to vote in relation to different Shares within your holding, you may photocopy both sides of this form. Please indicate on each copy of the form the proxy’s name and the number of Shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of Shares held by you). Please also indicate if the

appointment of a proxy is one of multiple appointments being made. All such forms should be signed and returned together in the same envelope. When two or more valid but differing appointments of proxy are delivered or received for the same Share for use at the same Meeting, the one which is last validly delivered or received (regardless of its date or the date of its execution) shall be treated as replacing and revoking the other or others as regards that share. If the Company is unable to determine which appointment was last validly delivered or received, none of them shall be treated as valid in respect of that Share.

8. As an alternative to completing the hard-copy Form of Proxy, holders can vote and appoint a proxy electronically by going to the following website www.investorcentre.co.uk/eproxy. You will be asked to enter the Control Number, the Shareholder Reference Number (SRN) and PIN as provided on your proxy card and agree to certain terms and conditions. For an electronic proxy to be valid, your appointment must be received by Computershare **no later than 1:00 p.m. EST / 6:00 p.m. BST on 24 August 2018**, or 48 hours before the time of any adjourned meeting (without taking into account any part of the day that is not a working day).
9. You may not use any electronic address provided within this notice or any related documents (including the Form of Proxy) to communicate with the Company other than as expressly stated.

Holders of Depositary Interests

1. Depositary Interest Holders who are CREST members and who wish to issue an Instruction through the CREST electronic voting appointment service may do so by using the procedures described in the CREST manual (available from www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting services provider(s), who will be able to take the appropriate action on their behalf.
2. In order for instructions made using the CREST service to be valid, the appropriate CREST message (a “**CREST Voting Instruction**”) must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited (“**EUI**”) and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the voting instruction or to an amendment to the instruction given to the Depositary must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID 3RA50) **no later than 1:00 p.m. EST / 6:00 p.m. BST on 23 August 2018**. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the issuer’s agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST.
3. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that the CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST service by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
4. The Company may treat as invalid a CREST Voting Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
5. Any holders of Depositary Interests in the Company who cannot give voting instructions via CREST should instruct Computershare Investors Services PLC to vote in respect of the holder’s interest using the Form of Instruction enclosed. The completed Form of Instruction must be received by

Computershare Investors Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZZ, United Kingdom together with the original or notorially certified copy of any power of attorney or other power under which it is executed (if any) not later than 72 hours before the time appointed for the Meeting or any adjournment thereof.

6. If you hold your shares via the depositary interest arrangement and would like to attend the Meeting, please contact the depositary, contact details of which are set out in the Form of Instruction.
